ORDERING GUIDE

NEW HIGH SECURITY DESIGN!

Rhino® Fiber Node Cabinet

The Rhino® Fiber Node Cabinet (RFN), RFN302440, is the newest addition to Channell's Rhino Fiber/Node Series of metal enclosures. Designed for broadband network locations that require remote deployment of electronics and cable management, the cabinet is 30 inches high, 24 inches deep and 40 inches wide. It is available with vented panels on all four sides of the cabinet. The removable front and rear panels allow easy access to the node and stored fiber cable. Fully adjustable dual-rail mounting rods run horizontally in the cabinet allowing the fiber node to be securely fastened. The cabinet's four bayonet hasps, interlocking sides and bottom rail secure the enclosure, reducing the possibility of theft of the valuable equipment enclosed. A fiber node pad and grade level vault come standard on the RFN Series.

The Rhino RFN302440 cabinet has similar features to those found in Channell's full line of Rhino enclosures, including galvanized steel construction and electrostatic powder coating. It is fully vented for excellent heat dissipation. The RFN Series combines enclosure, pad, vault and high security in a comprehensive package to deploy in any node application.

*RFN302440 Rhino Fiber Node Cabinet
(Shown on mounting pad and SGLB2436 Vault)*

Features

- High security design
- Mounting pad comes standard
- Subsurface storage of fiber optic cable
- Multiple vent options with anti-insect screens for reduced node operating temperatures
- Protected heavy-duty lock hasp reduces possible tampering with lock shackle
- Adjustable node mounting rods and support rod
- Above ground fiber loop storage fastener

Protected Heavy Duty Lock Hasp

Fully Adjustable Dual-Rail Mounting Rods

Above Ground Fiber Loop Storage Fastener

Specifications

Dimensions: 30" H X 24" D X 40" W (762mm H X 609.6mm D X 1016mm W)

Shipping: One unit per pallet

Weight: 160 lbs. (72.7 kg) RFN Cabinet (with mounting pad included)

Ordering Information

	RFN	302440	VX	CX	X	LXX	AX
Description	RFN – Rhino Fiber Node						
Rhino Cabinet Size	302440 – 30" High X 24" Deep X 40" Wide						
Cooling Option	V0 – No Venting V1 – Standard Venting V2 – Full Venting						
Color	C1 – Light Green C2 – Beige C3 – Dark Green C5 – Gray						
Bracket	0 – None 1 – Dual Rail						
Lock	L0 – Protected Heavy Duty Lock Hasp Only (Customer supplies lock of choice) L3 – Standard Security, Gem Lock						
Cabinet Options	A0 – With Mounting Pad A1 – With Mounting Pad and SGLB2436 Vault						

Example: RFN302440V3C10L0A0 - Rhino Fiber Node Cabinet, 30" H X 24" D X 40" W, Full Venting, Light Green, No Bracket, Hasp Only, Mounting Pad
